Question was asked whether to include Blain in the retreat. Many felt that it would be important to have his input and it would be beneficial to have the face to face communication which will enable us to have the website up and running as soon as possible.

Fall registration fees \$150, \$75 for graduate students and NPI will be the same as last year.

The Spring Drive-In Conference current has 102 registrants paid, 17 institutions represented. The last Fall Conference revenue has been received. (I didn't get all the figures Darrell shared)

NPI is set, speakers are confirmed. Expenses should be minimum.
